Commendation for Miss Elizabeth Sudmeier

1. On numerous occasions during the past year the Contact Branch of this office has utilized the services of Miss Elizabeth Sudmeier, stenotypist of the Presentation Branch of ORE. This very substantial assistance to Contact Branch has been made possible by the kindness and cooperativeness of the Chief, Presentation Branch.

2. Miss Sudmeier has just completed the transcription of a series of very important reports dictated by a Contact Branch source during daily four-hour periods and requiring well over a week's work. The cooperation, efficiency and poise which she displayed during this period is worthy of highest commendation.

3. In behalf of Contact Branch and of this office, I wish to express appreciation for the services rendered by Miss Sudmeier with the assistance of the Chief, Presentation Branch and request that it be conveyed to them.
